- Parents will be provided access to information on school performance data and assistance interpreting their child's individual assessment results.
- Parents will be provided a description and explanation of the curriculum and standards used at the school, the forms of assessment used to measure student progress, and the proficient levels students are expected to meet.
- Parents will be invited and encouraged to attend monthly SAC (School Advisory Council) meetings to offer suggestions, share experiences and to participate in decisions related to the education of their children.

This shared partnership will provide all students with opportunities to be college, career and life ready.

Annually, the SAC will review and make recommendations for the Parent Involvement Plan and the School/Home Compact. Families are encouraged to submit their feedback regarding school events and the Parent Involvement Plan and to participate in our annual parent survey.
